

Information to insurance company: Lost property reporting

As part of an insurance claim for lost property, you have asked your customer/client to request a lost property reference number from Leicestershire Police for the property that was lost or stolen.

Leicestershire Police only provides lost property reference numbers for those reports of lost property that lead to an investigation.

We have advised your customer/client that in this instance no investigation is being progressed and therefore we are unable to provide a lost property reference number.

Thank you for your help and support.
